

CAMBRENSIS ENVIRONMENTAL REGULATION NEWSLETTER 2007

In February 2007 and August 2007 Cambrensis Ltd will issue a twice yearly Newsletter on selected recent developments in Environmental Regulation. We will aim to write short updates and appraisals on about half a dozen of the key regulatory challenges in 2007 for the UK and EU facing environmental managers.

To receive a free copy of this Newsletter, please contact William Wilson at wwilson@Cambrensis.org, tel. +44(0)1432-269-860
